Preparing for Success

- Do Your Research: Learn about the speakers, panelists, and attending organizations.
- Define Your Goals: What do you hope to gain from the event? Be specific.
- Prepare Your Questions: Plan questions to ask during sessions or networking interactions.
- Have a short, compelling introduction ready.

WHO IS COMING?

PRANIT ARORA

Pranit is an alumnus of BIT (Patna Campus) and the CEO of Uninvest, a cutting-edge wealthtech platform. In under two years, he has built a profitable fintech venture valued at Rs. 500 crores, attracted over 15 lakh retail investors, and managed a portfolio exceeding Rs. 4,000 crores, becoming the country's largest retail advisory company.

AJAY PRATAP SINGH

Ajay, an alumnus of BIT (Patna Campus), is revolutionizing Indian logistics with Switch Labs, the country's first electric heavy commercial vehicle (HCV) company. Valued at approximately Rs. 50 crores, Switch Labs is leading India towards a more sustainable transportation sector.

Making the Most of the Event

- Be Proactive: Introduce yourself, ask questions, and engage in conversations.
 - Take Notes: Jot down important insights, contact details, and ideas that inspire you.
 - Network Strategically: Collect cards, connect on LinkedIn, and make meaningful connections. This is the most **important** part of the event.
 - Share Ideas: Discuss your ideas with other attendees. Don't be afraid.
 - Participate Fully: Attend sessions even if outside of your immediate area of interest.
- 

After the Event

- Follow Up: Send thank you notes or LinkedIn messages to key contacts.
- Reflect: Review your notes and consider how to apply what you learned.
- Stay Connected: Follow the entrepreneurs on social media.
- Take Action: Plan the next steps on your entrepreneurial journey.
